

MINIMUM REQUIREMENT TO BECOME A MEMBER

All members **must** hold an RYA Powerboat Level 2 certificate (a copy of which must be provided for the office). We run RYA Powerboat Level 2 courses for those who do not hold this certificate, or if you have considerable powerboat driving experience but not the certificate, we can run a direct assessment. Please call 0333 1234 303 for more details.

In addition, if you have not been on the Menai Strait within the 12 months prior to starting your membership you must undertake a 3hr on water familiarisation, charged at £195 (including boat hire).

HOW TO BECOME A MEMBER

Please complete and sign our application form. This states that you have read, understood and agree to abide by our Terms and Conditions, (these are included with the application form).

Once the form has been completed and a copy of your RYA Powerboat certificate has been received, you will then be able to book a Marine Club boat.

INDUCTION

The first time you take out a Marine Club boat, you will be given an induction by one of our team. This will include talking you through the boat and operating area and will also include a review of the Terms and Conditions, to ensure you are aware of your responsibilities as a Marine Club member, whilst on charter. You will also receive a Marine Club Members Handbook, which should provide you with all the information you will require.

MAKING A BOOKING

You can reserve your boat either online at www.themarineclub.com pop into the office, give us a call on 0333 1234 303 or email us at bookings@ribride.co.uk

Bookings can only be made by a Marine Club member, and they must be onboard during the charter.

NOMINATED DRIVERS

All primary Marine Club members are allowed to nominate up to three immediate family members (i.e. spouse/partner/son/daughter 18yrs+) as additional charter drivers. All nominated drivers must hold an RYA Powerboat Level 2 certificate, a copy of which must be given to the office. Regardless of who is driving whilst on charter, it is the primary Marine Club member who takes overall responsibility for the charter.

DAMAGE AND REPAIRS

As with any hire agreement, any damage that occurs whilst the boat is out on charter is chargeable. Damaged but repairable props are charged at a flat rate of £95. All other repairs/replacement parts are charged at cost with labour charged at £35per hour.

SAFETY

All members must provide their own lifejackets for everybody onboard the charter. Lifejackets must be worn at all times by everybody onboard.
